OVERVIEW OF THE SCENARIOS AND PLAYERS

You find here a list of all scenarios of the game and the respective players. You can easily identify which characters are involved in each scenario.

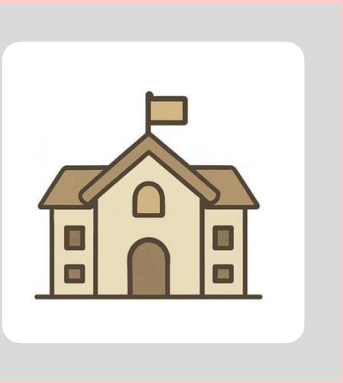

Some players participate in different scenarios. These scenarios cannot be played at the same time.

You find examples and further information about game variations and how to combine different scenarios in the trainer manual.

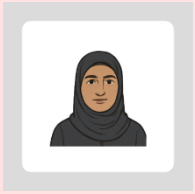

Members of the Anti-Discrimination Board (ADB) cannot play a role in the chosen scenario at the same time but come from another scenario that is not played. This overview list helps you to identify possible ADB-members. You find the biographies of all players in the ADB-file. The trainer manual explains their task and role.
